Winter and Spring 2022 Enrichment Guide

Good Bye and Thank you!

As I struggle to write my last blurb I can't thank this school district and community enough for the opportunity of being the Community Education and Aquatic Director over the past 15 years. I have worked with and meet some of the most wonderful people, have had some of the best experiences, and been able to supervise young adults that I have watched grow up and have families of their own. I will be heading into the sunset on December 31st on new adventures and some relaxation!

I hope you continue to enjoy the pool and enrichment classes as I believe we have one of the nicest pools in the area. Serving this community has been my pleasure and privilege!

Thank you and one last time **GO BULLDOGS!!**

Mary Kay Gavitt

Community Education and Aquatic Director
