

6. How will the new learning be used and monitored? What data source(s) will be analyzed to determine the effectiveness of the skills and strategies learned, and how will this new knowledge be shared with others if applicable?

7. Identify the budget and other resources needed for this PD. Please list all costs associated with this professional development (for conference requests please complete the pre-conference request form). For example:

- Additional salaries for time beyond contractual obligations at the teacher professional hourly rate of \$24.27 per hour
- Substitutes
- Material costs
- Speaker (trainers), consultants, and other fees
