Frequently Asked Questions

“What if I sign up and my child is unable to make it to a session?”

- We will work with you to get a refund within a reasonable time. Alternatively, if you register for Session 1 but are unable to make it, we can credit the registration fee to Session 2, saving you the hassle of having to register again.

“Do I need to sign up for both sessions?”

- You are not required to come to both sessions and can sign up for Session 1, Session 2, or both sessions. Although each session will cover the same fundamentals of soccer, each session will incorporate different drills/games. In other words, each session will be unique from the other.

“If I am unable to make one of the days during a session, should I let someone know?”

- There is no need to inform anyone of an absence. The \$50 registration fee allows admission to all four days for a session. However, this registration fee will not be prorated.

“What size ball should I purchase for my child?”

- Players 8-12 years old typically play with a Size 4 (Youth) ball.
- Players 8 and younger typically play with a Size 3 (Junior) ball.

“What if inclement weather occurs during one of the scheduled sessions?”

- We will cancel soccer for that day and reschedule the practice for Friday of that session. If multiple days are cancelled due to inclement weather, we will not hold any practices the following week.
