# 2025 PRIORITY NEEDS BOND PROPOSAL

Vote Tuesday, November 4

*Paid for by Mason Public Schools  
201 W. Ash Street, Suite 2A, Mason, MI 48854*

**ZERO-TAX-RATE INCREASE**  
*FROM EXISTING MILLAGE RATE*

# Mason Milestones

Mason Made is more than hometown pride, it's a connection to our community and a long history of delivering high-quality education to our students. As we look to the future, Mason Made means aligning our school buildings and learning spaces with our exceptional education system, now and for generations to come.

The Board of Education is asking voters to consider a bond proposal that would generate approximately \$66 million without raising the current tax rate. Mason Made is our commitment to serve every student, every day, and work alongside our community to provide students with safe places to grow and learn.

## Community Input

Earlier this year, Mason Public Schools (MPS) invited the entire Mason community to share its input through a districtwide survey. Feedback from more than 1,000 residents, staff, parents, and civic organizations helped identify priority needs.

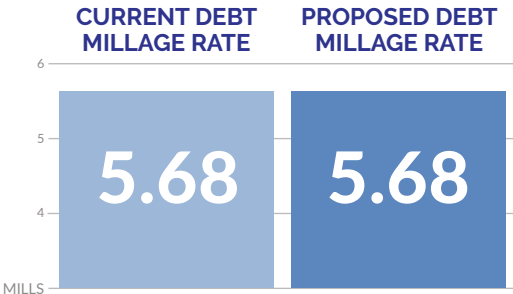

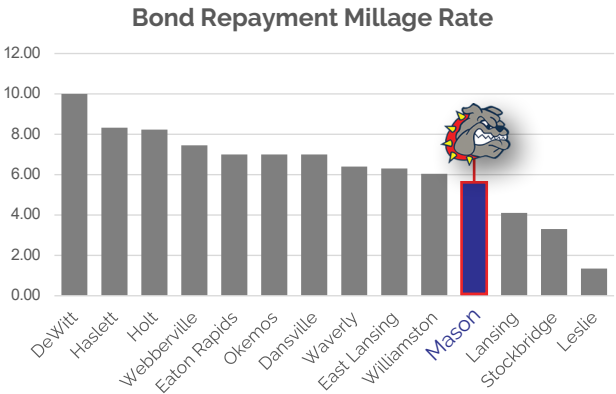

Key Survey Results Found:

- 62% of respondents reported the 2017 bond was "a success"
- 74% of respondents support major renovations to the Mason High School auditorium
- 65% of respondents "strongly supported" or "supported" a proposed bond offering that would allow for significant improvements at Mason Middle School and improvements to the high school auditorium while not raising the current tax level

Survey results can be found on the MPS Bond website along with more information about the proposed bond offering.

# ZERO-TAX-RATE INCREASE FROM EXISTING MILLAGE RATE

If the bond passes, Mason Public Schools will continue to be one of the lowest millage rates in the area.

# Bond Highlights

## Extensive Middle School Renovations
