- 2. What level should I sign my child up for?** Each lesson description has information on what is taught in each level and appropriate age levels. Please read **carefully** and choose the best fit for your child's current skill set. **If you sign your child up for the wrong level and the correct level is full, we will provide you a refund for the session.** We cannot accommodate students enrolled in the wrong level for safety reasons. If you're not sure what to enroll in, please email millerj@masonk12.net for help.

- 6. Are swim lessons the only ones in the pool?** No, often the pool is often being utilized by other groups. All groups work together to ensure everyone has the space they need available.
- 7. Why are there not more days/times offered?** We understand classes are limited and fill very quickly and that is frustrating. However, we can only offer the number of classes we have staff and pool space for. Your child's safety during lessons is our #1 priority.
- 8. When are classes?** Summer class options have daytime and evening options. No weekend classes are available. Daytime classes you come EVERY day Monday-Thursday during your session. Evenings are one time PER week.
