COMMUNITY EDUCATION ENRICHMENT GUIDE

MASON
PUBLIC SCHOOLS

WELCOME TO MASON COMMUNITY EDUCATION!

We are proud to offer a variety of classes and events for Spring 2023. These classes will take place April-early June. **The recommended method of enrollment is to go online to: <https://mason.revtrak.net/>** Please see the last page of the guide for important registration and programming information!

If you have a talent or hobby you'd like to share with the community, please reach out to me and we can discuss how we can work together for future classes!

You can always reach out with any questions at: (517) 244-6416 or email me at millerj@masonk12.net. I am often traveling to other buildings, so email is always the fastest way to get ahold of me as it is checked regularly during normal business hours.

Thank you,

'A FOR EFFORT' BEGINNING METAL WORK CLASS

Ever wanted to learn how to cut, weld and grind steel into a work of art or practical project, but don't know where to start? This introductory 1-day class is designed to give you the hands-on experience and know-how to practice welding in various positions for different purposes and give you some idea of costs/tools to consider if you'd like to do more of this type of work on your own. Students will learn proper tool safety for MIG welding, Metal Band saw use, Iron Worker operation, Angle Grinder use as well as proper application of Personal Protective Equipment while using these tools. Students will spend the first half of class familiarizing themselves and practicing with the aforementioned shop tools, qualifying to use them independently during the second portion of the class. During the second half of the class, students will design and build a welding project of their own either from an idea they bring to class or from several examples provided by the instructor (for the time/budget limit of this introductory class smaller projects are preferred).

Price includes all equipment, metal, safety equipment, drinks/snacks. Pick a class that best fits your schedule. Class size will stay very small (4) to ensure safety.

Class located in Leslie, MI. *****To attend alone, you must be age 18+. Those ages 10-17 can attend IF they enroll with a paying adult. If coming as a pair (parent/child, couple, etc), you must enroll both people separately. (\$200 total for pair).***

Swim Lessons F.A.Q.

1. Where is the pool located? The pool is located at the High School 1001 S. Barnes St., Mason, MI 48854 at the north end of the building by the tennis courts- opposite side of the school from the football field.

2. What Should I bring? Your towel, swimsuit, goggles, & any personal items you might need. Have long hair tied back. Men's, women's and family locker room are available to use.

3. What time should I arrive? 5-10 minutes before your class time.

4. Can I stay and watch? Yes, but please sit on the bleachers or in the upstairs balcony and do not interfere with the child's lesson.

5. What level should I sign my child up for? Each lesson description has information on what is taught in each level. You can read the information and then make a decision based on their abilities. Any other questions email gavittm@masonk12.net

6. Are swim lessons the only ones in the pool? No, often the pool is being utilized by other groups. 95% of our lessons are held in the shallow end for safety. All groups work together to ensure everyone has the space they need available.

7. Why are there not more days/times offered? We understand classes are limited and fill very quickly and that is frustrating. However, we can only offer the number of classes we have staff and pool space for. Your child's safety during lessons is our #1 priority.

8. When are classes? Classes will take place on Saturdays from April 22 - May 20, 2023. This is a 5 week session.

9. Is the pool warm? Mason Aquatic Center is a competitive pool. It is heated to 82* but this can feel chilly to many. We highly recommend long sleeved bathing suits when swimming here. We cannot raise the temperature just for lessons.

HARVEY EDUCATION CENTER
400 S. CEDAR STREET, MASON. ENTER DOOR #20 FOR ENROLLMENT.

Register for Kindergarten!

*Participation in Early Learning, Pre-School, Head Start, or GSRP does not automatically enroll your child for kindergarten.

Mason resident families with children that will be 5 years of age by September 1, 2023, are encouraged to register now for Fall 2023!

Step 1 – update your child’s information in Skyward Family Access

Step 2 – notify Karla Harkness, HEC Secretary of your intention to enroll your child for kindergarten!

Step 3 – provide the required documents listed below:

Required documents include your child’s **certified birth certificate** (issued by the state), current **proof of residency** (utility bill, lease agreement, bank statement; a drivers’ license is not acceptable), and your child’s **immunization record**. (State law requires a new submission of the immunization record for kindergarten.) These can be emailed to **Karla at harknessk@masonk12.net**

Round-up will take place in May for all REGISTERED resident Mason students. Any questions, please call Harvey Center office at 517-676-6528.

Non-resident families interested in kindergarten at Mason Public Schools may apply for Schools of Choice (SOC). Contact Jodi Somerville at somervillej@masonk12.net for a SOC application!

COMMUNITY EDUCATION IMPORTANT INFORMATION

Each class has a minimum and maximum number of participants to run the class. In order for teachers to properly prepare for their class, please pre-register and pre-pay for all classes/events. Registration will end 1 week before class/event starts. Printed copies of the guide can be picked up at Mason High School Athletic Office. Please mark your calendars for any dates listed where class will not be held due to school closure or other events interfering. IF school is closed for inclement weather or other reasons, Community Education and Aquatic Center are also closed.

THERE WILL BE NO REGISTRATION AT THE DOOR FOR CLASSES OR EVENTS (unless otherwise noted)!

Email millerj@masonk12.net with Community Education questions.

Please like and follow "**Mason Aquatic Center**" and "**Mason Community Education**" on Facebook for most up to date information regarding offerings, closings, etc.

ONLINE: Make an account to enroll and pay online: <https://mason.revtrak.net> <-- **PREFERRED METHOD!!**

WALK-IN: Please call ahead for a walk in time. (517) 244-6416

MAIL: Please fill out information at the bottom of this page. Enclose a check made payable to Mason Public Schools. Mail to: Community Education, 1001 S. Barnes Street, Mason, MI 48854. Elem Dance is ONLY online enrollment.

CONFIRMATION: You will be emailed and called if your class is cancelled or needs to be changed for any reason. No confirmations will be mailed but registering online will allow you to print a confirmation. A detailed email will be sent to you the Monday of the week your class/event takes place. Keep an eye out for that (check your spam if you do not see it)!

REFUND POLICY: Full refunds will be given for classes cancelled by Community Education. A \$5 processing fee is charged for each class dropped by the customer. To request a refund, call the Community Education office at-least *two days prior* to the first scheduled class. No refunds will be given if notification is received after the two-day deadline. *Community Education reserves the right to cancel and/or reschedule class days/times as needed. In case of last minute closure, every effort will be made to reschedule, but this is not guaranteed depending on building and staff availability. There are NO prorated class prices or partial refunds.*
