

Amanda's Be The Change Legacy Scholarship Application Form

Amanda's Be The Change Legacy (ABTCL) was established in memory of Amanda Blue who was part of the class of 2025 at Mason High School. Amanda was the victim of a drunk driving crash when she was a Junior at MHS. She was a 4.0 student and had a passion for many different things including, cosmetology, teaching/education, animal welfare, environmental stewardship, and creative/interpretative arts.

Amanda had a passion for learning new things and for helping others, she was a kind, caring individual. Her dream in life was to change the world and make it a better place. She was a light and just wanted to share that with everyone around her. She never let things hold her back and when faced with challenges, such as her severe dyslexia and phonological impairment, she always met it head on and would give it 100%. The goal of this scholarship is to continue helping others reach their dreams as she would have done.

All information included within this application or as part of the application process will be kept confidential. Applicants must be a citizen of the United States of America.

ABTCL will award scholarship(s) totaling \$5,000 to one or more Mason High School graduating senior(s) who have been accepted into an accredited college (2 or 4 year), university, trade, or vocational school who demonstrate similar characteristics to Amanda. Grades and financial need will be considered but are not the only deciding factors. The ideal candidate(s) would be one that is pursuing similar interests to Amanda and can demonstrate challenges that they may have had to overcome in either their personal or school life.

To be considered, each applicant must:

- Complete the entire application provided below.
- One letter of recommendation from a MHS teacher.
- One letter of recommendation from an adult, non-family member who can outline why the applicant is deserving of the scholarship.
- Potentially participate in an interview with ABTCL Board Members (top few candidates only).
