

Harvey Center Lunchroom Guide Video Transcript

Welcome to the Harvey Center cafeteria. At the beginning of the day, students make their daily meal choices in the

00:02

classroom with their teacher. For lunch, they have the option to select either choice one or choice two. At lunchtime, students come to the cafeteria

00:08

by class to grab their lunch. These lunches are already prepared for them. Each meal consists of a main entree,

00:16

which includes a meat slash meat alternate, and a grain along with fruits, vegetables, and milk for students to enjoy.
