

Mason Elementary Lunchroom Guide Video Transcript

In the elementary school cafeteria, students come down to lunch with their identification card, which is scanned into our computer system.

00:00

Students have the option to pick between two meals each day. Each meal consists of an entree including a meat, meat,

00:07

alternate, and grain, along with vegetables, fruit, and milk. Students grab their lunch choice as they move through the line before enjoying their meal with friends.
