

Mason Middle School Lunchroom Guide Video Transcript

At Mason Middle School, students have the opportunity to choose their lunch from two serving lines. If they select the hot lunch line,

00:02

they may pick from three different hot lunch entrees, then grab a fruit, vegetable, and milk. If they select the specialty bar,

00:09

they may choose an additional entree option. Fruits, vegetables, and milk. A la carte items are also available for students to enjoy,

00:16

including refreshing beverages, snacks, and treats. To purchase an a la carte item, students must have money in their mail account

00:23

or use cash to purchase their meals. Middle school students must use their four digit pin number. This number is given to students when they

00:30

start sixth grade. Parents may access this number by logging into Skyward and selecting family access food service account.
