

MASON PUBLIC SCHOOLS ENRICHMENT PROGRAMS

AFTER-SCHOOL ENRICHMENT CLASSES

All classes are **FREE!** Register here: tinyurl.com/rmeupuq

2ND - 5TH GRADE ENRICHMENT CLASSES

*Harvey Education Center**

March 10 - May 28, 2020 | 4:15 - 5:45 pm

TUESDAYS: MATH

- 2nd-3rd Grade: Students will investigate spatial reasoning through one-, two- and three-dimensional tasks that are sure to spark their visual learning through complex lessons.
- 4th-5th Grade: Students will investigate the concept of place value and the representation of numbers using place value and non-place value systems. Number bases other than Base Ten are discussed through the historical contexts of early civilizations that used number systems far different than what is used today.

THURSDAYS: ENGLISH LANGUAGE ARTS

- Students will develop and broaden their abilities to analyze and interpret literature through activities that highlight themes, concepts, literary elements and real-world connections contained within the books.

***FREE** bus transportation provided from students' home schools to Harvey

6TH - 8TH GRADE ENRICHMENT CLASSES

Mason Middle School

March 10 - May 28, 2020 | 2:50 - 4:20 pm

TUESDAYS: MATH

- Students will approach spatial reasoning through one-, two- and three-dimensional tasks. They will explore the transition between dimensions and representations of three-dimensional objects in two dimensions.

THURSDAYS: ENGLISH LANGUAGE ARTS

- Students will develop and broaden their abilities to analyze and interpret literature through activities that highlight themes, concepts, literary elements and real-world connections contained within the books.
