We welcome Mason and the surrounding communities to come enjoy the pool at the Mason Aquatic Center. For the safety of all patrons we ask that all children 8 years of age and younger be accompanied by an adult in the water unless the child can proficiently swim on their own without a floatation device. Children swimming with floatation devices of any kind must have a parent in the water with them and can not go to the deep end even with a parent. Plastic Water Wings are NOT allowed. Children not potty trained must wear a swim diaper. We do not sell or provide diapers. The lifeguard on duty will determine the proficiency of the swimmer to swim in the deep end of the pool. **NO REGISTRATION REQUIRED—**
