

Mason Elementary Schools 2019-2020 Menu

Lunch Menu

A choice of 1% low fat white and chocolate milk is offered each day with meals. School lunch consists of five components: meat/meat alternate, fruit, vegetable, bread and milk. Many times our main entree consists of two components. Menus are subject to change due to availability of products.

Allergy Policy: Before menu substitutions can be made a yearly doctors note needs to be on file with the Food Service office.

Please send in a note if you would like to put purchasing restrictions on your child's meal account.

Breakfast Menu

As you know, breakfast is the most important meal of the day. As your child's educational facility, we know that hungry children cannot learn. As the first steps toward addressing this issue, we serve breakfast at all Mason Public Schools. Breakfast is served before school at different locations in each building. See each individual building for locations and times of service.

A school breakfast is made up of three components, which are defined as one serving of fruit or juice, one serving of milk and one equivalent grain/bread.

Hot and cold breakfast served throughout the week.

3 Ways to Pay for Meals

Pre-Payments Online

Payments may be made online through the Efunds link located on the Mason Public Schools Food Service Web Page. This is an easy, convenient, private, and secure way to ensure that your child has money in his or her account. Payments made at this site do have a small convenience fee per transaction. Payments post to your child's account in about one hour and are available 24/7.

Check

Please make checks out to Mason Food Service.

Cash

Cash may be used at any school to purchase meals.

Please fill out a lunch form to see if you may qualify for free or reduced meals. Forms may be found in all school offices, the Food Service office, and online on the Mason Public Schools Food Services Web Page. You will be charged for any meals until the paperwork has been approved.

Reminder emails of account balances that are in the negative can be setup through Efunds.
